<https://www.inlander.com/spokane/andy-rathbun-wont-be-running-for-mayor-but-will-be-running-for-city-council-against-karen-stratton/Content?oid=17502414>

Rathbun's platform is based on his "productivity over politics" theme with a "safety-first" focus. Rathbun states, "Too often, our city council has become stuck in the mud of personal politics and finger-pointing. Citizens deserve real discussions and are tired of the 'reality television' show at city council."
