[From her website](#): About Lori: "She spearheaded the City of Spokane Community Garden project and worked on ordinances relating to: "Complete Streets," design guidelines for centers and corridors, and foreclosed properties. She sponsored legislation including: human trafficking prevention, historic preservation, parklets and streeteries, environmental protection and the City of Spokane's Sustainability Action Plan, property crime reduction, and Urban Forestry ordinance, revisions to the Park Code, and protections for public lands and properties. Her focus continues to be advocating for neighborhoods, property crime prevention/public safety and land use/transportation planning."
